

Belle Center UMC April Newsletter

Hello, everyone! As we begin to start up our church's informational newsletter, I would like to share what goals we intend on reaching: **informing people about opportunities to serve and worship with Belle Center UMC and reaching across the community to all age groups.** All of the information will be updated on a monthly basis to ensure that all events are current. I hope this new take on our newsletter will be all-inclusive and that everyone will find the information they are looking for. If you have information you would like to be included in the newsletter, please contact me at logantphillips.99@gmail.com or (937) 407-5419.

Blessings,
Logan Phillips
